BHUPRAJ TAMANG

Customer Service Advisor

Darwin, NT, Australia | bhupraj875@email.com | +61 447 481 904 | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Reliable and detail-focused professional with proven experience delivering 24/7 support in fast-paced, high-pressure environments. Skilled at resolving issues clearly and calmly under time pressure, keeping accurate records, and working closely with cross-functional teams to get problems solved quickly. Strong computer literacy across reporting, data and office systems, with a track record of meeting performance targets and maintaining quality and compliance standards. Based in Darwin and currently studying a Master of IT at Charles Darwin University, bringing a calm, team-first attitude, flexibility for rotating rosters, and a genuine enjoyment of helping people.

KEY STRENGTHS

- Clear, confident communication - built through daily phone, email and stakeholder communication while providing 24/7 on-call technical support
- Calm under pressure - resolved critical, time-sensitive issues to minimise downtime, staying composed and solution-focused throughout
- Attention to detail & accuracy - meticulous record-keeping, documentation and data handling across every role
- Working to KPIs & quality standards - consistently met performance, reliability and compliance benchmarks in regulated, structured environments
- Strong computer skills - highly proficient with Microsoft Outlook, Excel and multiple web-based/enterprise systems (SQL tools, dashboards, ticketing & monitoring platforms)
- Team-first collaborator - worked closely with cross-functional teams (support, engineering, stakeholders) to resolve issues quickly and share knowledge
- Adaptable & quick learner - picked up new tools, platforms and processes rapidly across multiple employers and technical domains
- Flexible availability - comfortable working rotating shifts, including evenings and weekends, to support round-the-clock operations

RELEVANT EXPERIENCE

Associate Database Administrator

Cedar Gate Services Pvt. Ltd. | Kathmandu, Nepal | Jan 2025 - Nov 2026

- Provided 24/7 on-call support, communicating clearly with stakeholders to resolve critical issues promptly and keep disruption to a minimum - directly comparable to handling urgent customer enquiries under time pressure.
- Kept detailed, accurate records of issues, actions and resolutions to support consistency, accountability and continuous improvement.
- Automated routine processes to improve reliability and free up time for higher-value, people-facing problem solving.
- Monitored performance against targets daily, proactively flagging and resolving issues before they escalated.

Database Administrator (Trainee)

Dish Media Network Ltd. | Kathmandu, Nepal | Sept 2023 - Dec 2024

- Managed complex, sensitive data migrations with zero tolerance for error, ensuring accuracy and integrity throughout - reflecting strong attention to detail and reliability under pressure.
- Liaised with internal teams to troubleshoot and resolve technical problems quickly, building skills in clear communication and collaborative problem-solving.
- Built interactive dashboards to turn complex information into clear, easy-to-understand insights for non-technical stakeholders - a strength directly transferable to explaining betting products, promotions and account information to customers.
- Maintained thorough documentation to support compliance and quality standards.

EDUCATION

Master of Information Technology (Information Systems)

Charles Darwin University, Casuarina, NT | Expected November 2027 (Currently Enrolled)

Bachelor of Science (Honours) in Computing

Softwarica College of IT & E-Commerce (Coventry University) | Graduated September 2023

CERTIFICATIONS & MEMBERSHIP

- Oracle Cloud Infrastructure 2025 Certified Foundations Associate
